Dear Alpha Mu Gamma Members,

I hope this message finds you in good health and spirits. As we near the end of the fall semester, we should take time to reflect on and be thankful for the new beginnings many of us experienced: going back to campus and appreciating the joy that comes from sharing togetherness. For those of you still teaching remotely, I am sure you also have found opportunities to connect with students and colleagues alike.

This newsletter includes important opportunities for our students. Make sure you share with them the Scholarship information. The deadline is February 1st. Information about the Scholarship application process and copies of the forms are available on the website (https://www.amgnational.org/scholarships.html). This is a great opportunity for our student members to get the recognition they deserve for their language study.

This fall we created a new system to streamline communications between the advisors and the national officers. We now have individual email addresses to send the scholarship forms, communicate directly with the President, send information directly to the Secretary, of course, to send your order. We hope you find this new system useful.

We continue having several positions for Regional Vice President vacant. Refer to the website to see what those are. If you are interested in filling one of the positions, contact us through the website. The Regional Vice Presidents play an integral part spreading the word about our organization and recruiting new members. We would be grateful if you consider serving in this capacity.

Sincerely,

Dr. Beatriz Gómez Acuña

National Foreign Language Week
March 6-12, 2022

Celebrate humanity through language

National Foreign Language Week is a registered name by Alpha Mu Gamma, the National Collegiate Foreign Language Honor Society.

Original design submitted by Eula Valdez, a student at Fairfield University in Fairfield, Connecticut.
About National Foreign Language Week (NFLW)

National Foreign Language Week was inaugurated in the Spring of 1957 by Alpha Mu Gamma. Sister Eloise Therese, the National President of Alpha Mu Gamma from 1956 to 1960, discovered that such a week had never been officially celebrated in the United States as a whole, although foreign language had received recognition by different educational institutions at various periods of the academic year. Inspired by her the National Executive Council of Alpha Mu Gamma began to formulate plans to make the United States aware of the need for and importance of foreign language study through the celebration of NFLW. The first celebration was set for the week of February 17 to 23, 1957. Each year since then the National Executive Council of AMG has set a week for this event. In recent years it has become the practice to have NFLW during the first full week of March.

On December 12, 1956, President Dwight D. Eisenhower sent a telegram endorsing the celebration, and each succeeding president has added his support. An even greater contribution to the success of NFLW was made by the posters of the late Bruce Russell, who received not only the Pulitzer Prize but also recognition from President Eisenhower for his efforts toward greater world understanding through his timely cartoons. He offered the Society a cartoon each year until his death in 1963, and even left one finished drawing and an unfinished sketch that were used in 1964 and 1966 respectively. These posters have been distributed each year throughout the United States and are available for sale to interested bodies.

The chapters of Alpha Mu Gamma, now spread through over forty states, took the initiative in organizing activities during the Week with the purpose of making the American student aware of the vital necessity for foreign language study. Typical projects were newspaper articles, radio and television programs, foreign language films, festivals of foreign music and plays, the singing of foreign songs and lectures open to the public. Soon other universities, colleges and schools were also celebrating NFLW.

Every year a NFLW poster with a new theme is printed. It is distributed free to all AMG chapters and is available for sale to the public. Normally the posters size is 24”x19” and are printed in two versions - one with the official date for the Week and one without. The cost, at present, per poster is $6 and shipping & handling is $6 (for 1-5 posters). Shipping is free for orders of 25 posters and above. They are mailed out in solid mailing tube by US Priority Mail. Send your orders to mailto:posters@alphamugamma.org

The 2022 poster was created by Eula Valdez, a student at Fairfield University, and a “proud New Yorker who grew up in the Bronx”. She is a member of the Class of 2022, majoring in Politics with minors in American Studies and English. Eula enjoys reading, painting, and attending spin class.

Attention! We have a new order form that started on 1/1/2021, which can be accessed from our website (www.amgnational.org). Please note that the full student membership cost has increased to $30. The previous cost of $25 had remained unchanged for many years--at least 20 years, or even more. Orders can now be paid via Zelle, which is an electronic bank-to-bank transfer operation. Contact your bank to see if Zelle payments are an option for you. All funds sent via Zelle are instantly deposited into AMG's account. To pay via Zelle, you need to select Matt Borden’s e-mail address as the custodian e-mail associated with AMG's bank account: mborden@carthage.edu. You may also continue to pay for orders by sending in a check; both personal and institutional checks are fine. All checks (made out to "Alpha Mu Gamma National") must be mailed to Matt Borden, as Treasurer, at the following address:

Matthew Borden  
Carthage College  
2001 Alford Park Drive Kenosha WI 53140

Please note that the new order form has a space for donations--of any amount whatsoever. As you know, AMG is a registered non-profit charity for educational purposes. The Executive Board members are all unpaid volunteers. If you wish, your chapter could hold fundraisers and make donations, if so motivated. Individuals may also contribute. Also, Amazon has a charity program that donates to organizations like AMG. This costs you nothing at all--Amazon is the one donating--but you do need to tell Amazon to do it. You simply need to make your order as usual on Amazon but use their charity address www.smile.amazon.com so that you can select AMG as your preferred recipient. On Amazon Smile, AMG is listed by our tax filing location in Illinois: Alpha Mu Gamma, Evanston IL 60203

Please note that there is no difference in price or offerings on www.smile.amazon.com versus the normal webpage of www.amazon.com. Every time you make a purchase on Amazon, AMG can earn a small donation (0.5% of the purchase). For example, this year AMG received about $20 in donations from Amazon because of the purchases that a member made on Amazon. Now we just need more people to select AMG as their preferred charity, so please share this news with your chapters and all your students (and their families--why not
The Executive Council of Alpha Mu Gamma National Collegiate Foreign Language Honor Society (AMG) wishes to express gratitude and appreciation for Ms. Leslie Brazier who served as Administrative Assistant of Alpha Mu Gamma for five years. At its last meeting in June, the Executive Council decided that beginning September 1, 2021, the Administrative Assistant of Alpha Mu Gamma will be appointed and required to work on-site at the same location as the Treasurer and under their direct supervision. This decision was made as part of a wider administrative reorganizational effort to improve the functioning of the organization. Although Leslie Brazier no longer serves as the Administrative Assistant of Alpha Mu Gamma National Honor Society, she continues to provide some limited services with compensation throughout spring semester 2022.
